West Coast Swing

“Introduction to The Basics”

Instruction by **Tim Renner**

In Social West Coast Swing, all moves, turns, and styling are built off your West Coast Swing fundamentals “The Basics”. In this class, students will go over their footwork, Centering, Connection, Leverage/Compression, Action/Reaction, Resistance, Basic Timing and more. Students will also learn body movement exercises to help students isolate movement in different parts of their body. This class will get you on your way to becoming a competent West Coast Dancer along with improving and sharpening your technique in your other dances.
